## Message from our President

**Mary Batt**  
**President FOHR**

Dear Friends,

Happy New Year! As we begin a new year, 2025, I want to thank you for your support of the Friends of Heinz Refuge (FOHR) and the activities we help underwrite at the John Heinz National Wildlife Refuge at Tinicum (JHNWR). Our supporters are instrumental in helping us maintain open space, wildlife recreation, outdoor recreation, and educational programs at the Refuge. All the programs and services at the Refuge are provided free of charge to the public, and the support of FOHR, and you is crucial. FOHR provides support for programs that

educate both the public and school aged children, restore critical areas of the Refuge, clean litter, and plastic pollution. In addition, we hosted or sponsored many community events this year including: Spooktacular, Groundhog Day, Earth Day Darby Creek Clean-up, Summer Solstice, Fall River Fest, and our annual photo contest "Nature in Focus." We continue to help underwrite the cost of the Refuge's flagship education program, Philly Nature Kids (PNK), participated in the first annual Delco Gives Day, and Walk for the Wild. All these programs and activities provide the greater community with the opportunity to enjoy all that nature has to offer in the wonderful space at JHNWR. And, at our recent Annual Meeting, we welcomed three additional new/re-elected members to our board. I would like to express my heartfelt thanks to those individuals that have rotated off the board for their commitment of time, talent, and treasure to our organization.

I hope you have had or will find time to visit our Nature Store. We have added new items this year and the proceeds from the store directly benefit the Wildlife Refuge. Additionally, branded items help promote the Refuge among new audiences.

As you may know, FOHR operates solely on grants, individual donations, and proceeds from our store. Supporters like you do so much to continue educating the public, bringing new visitors, participating in cleaning up the Refuge from refuse and plastic pollution, and restoring critical areas like our tidal marsh.

Please consider becoming a member or making a new or additional donation this year. Gifts of all sizes are welcome. Please visit our website for information on how to make a gift online at [www.fohrefuge.org](http://www.fohrefuge.org) or by mail to FOHR, P.O. Box 333, Folcroft, PA 19032.

Thank you for being a supporter of environmental education, public programming, and a protector of open spaces for all who live, work, and visit our community.

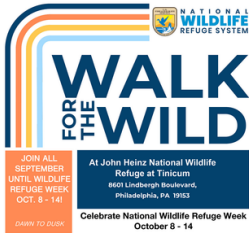

Our best wishes for a happy and healthy New Year from all your Friends at Heinz Refuge.

Sincerely,

**Mary Batt**

## Annual Events Sponsored by FOHR

### Walk for the Wild 2023

Join Friends of Heinz Wildlife Refuge for Walk for the Wild 2023. Support conservation and protection of Refuge habitats, and continue its outreach to the public and educational programs.

In recognition of National Wildlife Week, October 8 – 14, 2023, FOHR participated in Walk for the Wild, an annual event to demonstrate our commitment to deepening human connections with nature and to protect the thriving ecosystems we depend on. Walkers pledged funds to raise awareness and support of National Wildlife Refuges and their partners. More than \$2,000 was raised in support of the education programs at JHNWR.

## Spooktacular 2023

On Thursday, October 26, 2023, more than 700 people got into the spirit, and costumes, to paint pumpkins, shoot archery, make spooky crafts, and walk the Trick or Treat Trail! Refreshments were provided by FOHR.

## Annual Meeting November 4, 2023

The Friends of Heinz Refuge (FOHR) celebrated our 26th Annual Members Meeting and Election event in person at Heinz Refuge! FOHR President, Mary Batt, welcomed members, guests, speakers, and it was our pleasure to unanimously elect four Board Members. Welcome our two new Board Members, Krista Graham, and Tara Zoltek, and returning Board Members Thomas Koger and Jaclyn Rhoads.

## Groundhog Day 2024

More than 400 people gathered at the Refuge on January 27, 2024 to celebrate with our annual Groundhog Day Festival! A great time was had making groundhog crafts, learning about wildlife winter adaptations, and drawing ducks. Special thanks to Philadelphia Metro Wildlife Center for bringing live rescued animals, and to Glenn Waldeck for the lively music! Tinicum Tim did not see his shadow this year and we expected an early spring!

## Earth Day Clean-Up April 13, 2024

More than 100 volunteers helped at the Earth Day Creek Clean-up on April 13, 2024! Volunteers donned chest waders and eliminated more than 5,000 pounds of plastic from Darby Creek at the Refuge. The Friends of Heinz Refuge provided pizza for lunch!

## Community Engagement and Nature Based Solutions

John Heinz NWR and Friends of Heinz Refuge are leading the effort to implement nature-based solutions to address systemic flooding concerns in nearby Eastwick and Delaware County. Nature-based solutions design, mimic, or enhance natural systems to reduce flood risk and provide environmental and societal benefits. The FOHR has supported the refuge in hosting workshops with over 20 community leaders, discussing potential nature-based solutions to be implemented both in the refuge and in the community.

## Philly Nature Kids (PNK)

Last year, 125 students participated in the Refuge's flagship environmental education program, Philly Nature Kids (PNK). FOHR provided more than \$11,000 in support to cover the cost of busing, special project funds, and support for school events. Every 4th grader at two Title 1 elementary schools, less than two miles away from the Refuge, John M. Patterson Elementary and Penrose School, participate in monthly Ranger-led science lessons in their classroom and monthly visits to the Refuge. Philly Nature Kids visit the Refuge nine times per year, allowing them to see the Refuge change each season and directly observe phenomena like migration and decomposition.

## Field Trips/Transportation

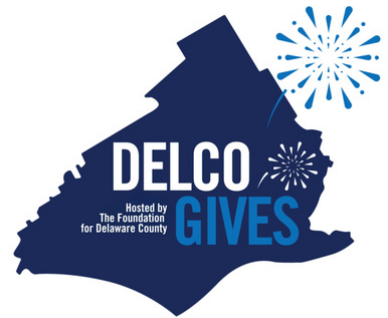

Transportation is frequently a barrier to accessing all the benefits that nature can provide for students. The Friends of Heinz Refuge (FOHR) helps to remove that barrier for local students by providing bus scholarships for schools to visit and learn at the John Heinz National Wildlife Refuge at Tinicum. Last year, FOHR dedicated more than \$10,000 in bus funding, to Title 1 schools and after school programs in designated environment justice areas to visit the Refuge. These trips allowed students to access to all that JHNWR has to offer and served more than 1,000 PreK-12th grade students in Philadelphia and Delaware Counties. The cost per bus averages \$325.

**Based on feedback from our members and donors, we have decided to go paper free and no longer print Marsh Musings. We will provide a pdf version to email to our supporters and will post copies on our website. Additionally, for anyone that does not have access to these formats, please let us know and we will print a copy in-house and mail it to you. Thank you!**

## Delco Gives Day

The Friends of Heinz Refuge was one of more than 200 local non-profit organizations participating in Delco Gives Day, a 24-hour fundraising event that celebrates Delaware County's people and organizations and encourages people to support local organizations. More than \$1,900 was raised to help underwrite the cost of events sponsored by FOHR. Join us for Delco Gives next year, May 8 - 9, 2025, from 7 PM - 7 PM.

## Summer Solstice June 20, 2024

Many families and friends joined us on June 20, 2024, for a fun evening of free archery, live music, nature programs, food and more to celebrate the Summer Solstice. This event is sponsored annually by the Friends of Heinz. Look for this year's event in June 2025.

## Philly Fall Nature Fest

Hundreds came out to celebrate Fall with all day archery, fishing, birding at the boardwalk, guided walks, nature crafts, resource tables, food, and music! Thank you to Philly Metro Wildlife Center, Elmwood Park Zoo, and others for providing interesting presentations for our visitors. The winners from this year's photo contest were also announced.
